INTRODUCTION. The policy discourse on farm labour in southern Africa, and in Zimbabwe in particular, has not caught up with the times. Framed as it is by a focus on full-time wage labour and employment rights,^{1 1} Soon after land reform, attention focused on farmworker displacement and human rights questions (FCTZ, 2002; HRW, 2002). More recently, the General Agricultural and Plantation ...

Livelihoods after Land Reform in Zimbabwe: New Working Paper Series. Debate about Zimbabwe's land reform has been plagued by a lack of empirical data on impacts and consequences. The land reform that has unfolded in Zimbabwe since 2000 has resulted in a major reconfiguration of land use and economy. But there is no single, simple story.
