Exam scripts and skeleton answers * You've entered law land

Finally, one modern concern that has risen in the contract law is the increasing use of a special type of contract known as "Contracts of Adhesion" or form-contracts. This type of contract may be beneficial for some parties, because of the convenience and the ability by the strong party in a case to force the terms of the contract to a weaker party. Examples include mortgage agreements, lease ...

Contract law not only governs what happens when the contract breaks down, but it also establishes what the terms of the contract are, in the event of a dispute. While the contract may be self explanatory in what the parties intend i.e. you pay £50 and I'll give you this washing machine, there are of course terms as to the time of payment, delivery, condition of the goods etc that need to be ...

Based on my understanding of the law of contract, as a general rule, performance of a contract must be exact and precise and should be accordance to with what the parties had promised. Section 38(1) of the Contracts Act 1950 provides that the parties to a contract must either perform or offer to perform their respective promises, unless such performance has been dispensed with by any law. In ...
