Lister Engine Information - All Types

I've just inherited a generator from a neighbor. Not quite sure make or model, as there is no nomenclature plate visible. It's a V twin air cooled with vent tubes running from a fan shroud to the cylinder heads and generator frame.

List of Lister Petter Engines and Their Specifications ...

Because there was no difference in the engines other than operating RPM Lister never differentiated 5/1 from 6/1 in numbering or parts books. Over the years between numbering, spec numbers, models that were built but never appear in references I dont think Lister could have made the numbering system any more confusing if they were intent on it.

How to Date Pre 1950 Listers by serial number - Lister Engine

Lister Petter has been supplying durable and hard working engines into different market sectors for decades. Over the years, we have carefully configured our engines for each individual sector. Lister Petter

Lister CS This register covers the popular and most widely recognised Lister diesel engine, the Lister CS range of Diesel engines made from 1929 right up to the early 1980's. One of my personal favourites, the Lister CS would have to have one of the longest production runs for any engine worldwide, being mostly unchanged for the over 50 years it was built.
