The 180-190 and W128/W180 220-220S 'Ponton' models looked very similar in appearance from the windscreen back to the six-cylinder somewhat longer 220s-220S-220SE models. From behind, one could not easily differentiate even the top of the line 220SE (E for Einspritzung, or fuel injection) from a 180, but the longer bonnet (and wheelbase) and chrome touches identified it as an upscale, six-cylinder model.

The Mercedes-Benz C-Class is a line of compact executive cars produced by Daimler AG. Introduced in 1993 as a replacement for the 190 (W201) range, the C-Class was the smallest model in the marque's line-up until the W168 A-Class arrived in 1997. The C-Class is built at Mercedes-Benz factories in Sindelfingen and Bremen, Germany as well as numerous satellite factories in other countries.
