iRacing's NASCAR Whelen Tour Modified is all new for 2019, sporting an updated body style that reflects the sport's highest spec. Sporting a roof but no fenders, a Modified Stock Car - "Modified" for short - is a unique oval-track race car. And while today's Modified is built from the ground up as a tube-frame chassis racecar and has significantly different configurations for paved or dirt tracks, the breed traces its lineage back to the very beginning of stock car racing.
