The Anglo Saxon World An

All in all it provides a very good overview of the Anglo-Saxon world, it's culture and history (although in the latter case it doesn't go into much detail for the most part). One might complain that the translations for the poetry are not the best out there, but that misses the point somewhat, as the poetry is not presented here primarily ...

Anglo-Saxon Migration This map traces the migration of peoples to England from the Germanic regions and lower Scandinavia. With the crumbling of the Roman Empire, its armies were withdrawn from England in the early 400s. This gave the Germanic tribes the opportunity to move into the British territory that they had deserted.
