The Iso 9001 14001 Or

ISO 14001 is an Environmental Management System (EMS) which gives organizations a systematic approach for measuring and improving their environmental impact. ISO 9001 and ISO 14001 share a similar Plan-Do-Check-Act structure and have many similarities, but they do not directly align clause for clause.

Compare ISO 9001 + ISO 14001 - Integrated Standards

The standard ISO 14001 is an environmental management certification that is designed to assist organizations as they develop in-house environmental management systems. This standard is based on a model of continual improvement, which differentiates it from the fixed criteria that must be met to be awarded ISO 9001 accreditation.
